

Mission Partnership

WHY BECOME A MISSION PARTNER WITH CIRCLE PROGRAM?

Dear Friends of Circle Program,

For over 32 years, Circle Program has helped local girls build confidence, connection, and leadership through community support, mentoring, and summer camp experiences. This work is made possible by committed partners who believe in strengthening the future of our youth.

I'm reaching out to invite you to join us as an Annual Mission Partner. Local businesses are essential to advancing our mission, and your sponsorship directly supports year-round programming that empowers girls to grow and thrive.

At the same time, partnering with Circle Program elevates your brand to a highly engaged community that values companies who are committed to giving back. By standing with us, you're not only supporting a vital program—you're demonstrating what your business stands for and investing in the future of our local youth.

Enclosed is information about sponsorship levels and the visibility and benefits available to your organization. I would welcome the chance to connect and explore how this partnership can align with your company's community values.

Thank you for your commitment to strengthening our community. Together, we can create opportunities that change lives.

Gratefully Yours,

Beth Dever, Executive Director
Circle Program
